

**Central Penn Aquatic League Bill Schmidt Memorial
2011 All-Star Championship Meet
Sunday, February 27, 2011**

Notice to parents, coaches, and spectators:

This meet is the largest meet held during the season and it is our desire to make the All-Star experience an enjoyable one for all of our swimmers and their guests. In our best effort to make this happen, we must put into practice these needed actions.

The following practices apply to all SWIM TEAMS:

1. ALL team seating will be in the Spectator gym. NO team seating will be allowed on the pool deck.
2. Events that are being seeded will be posted in the gym and concession areas
3. Each team is responsible for getting their swimmers to the pool deck in time for their events.
4. If swimmers choose to use the cool-down pool, they must exit the pool area after cool-down is complete.
5. All teams are asked to clean up their area before leaving the Spectator Gym.

The following regulations will apply to the SPECTATOR GALLERY at the All-Star meet:

1. No folding or "lawn" chairs will be allowed in any portion of the spectator gallery;
2. No blankets may be spread out on the floor behind the seating area or around the doors leading into or out of the spectator gallery;
3. No sitting on the stairs in the spectator gallery as this is a major fire hazard;
4. Lastly, and likely the least popular, NO saving of seats with blankets, towels, newspapers, programs or any other means during the meet.

We are asking all teams to pass this information on to your parents that will be attending the All- Star Meet.

This policy will be posted on the web site, and emailed to each Team Representative.

We ask your cooperation in providing a safe, comfortable, and enjoyable experience for ALL guests and a great championship meet experience for all swimmers.

Susan O'Connor & Donna Sprowls
All Star Co-Meet Directors
