

Officials Certification

Club Form

CPAL has instituted a CPAL level official certification requirement. Any person officiating a CPAL meet must have the minimum of the league required level of training each league season, as documented in the April, 10 2002 minutes. Anyone holding a current PIAA, YMCA II, COSA and/or USA certification ***does not need*** to complete the CPAL level certification. In order to meet the CPAL requirement, interested persons from CPAL clubs must attend a training session given in the following setting: ***a mini clinic given by a designee of CPAL***. Upon completion of the clinic, please complete the form below and submit it to the League Secretary by the roster due date.
