Divisional T-Shirt A custom-designed Divisional Championship Tee-Shirt is available via pre-order at a price of \$12 per shirt. All food and beverages (with the exception of water) must be consumed in the concession or cafeteria area. By order of West Shore School District, absolutely no food or liquids are permitted in the gym area.

Swim Gear Vendor

A swim gear vendor (Swimmersnetwork.com) will be available in the main gym, selling swim ware and gear for purchase consideration, and will be available throughout the meet.

Spectator Gallery

The West Shore Natatorium has a spectator seating area directly above the pool deck. Due to the limited seating area, there can be **NO SAVING OF SEATS throughout the meet.** We urge everyone's cooperation so that all may enjoy seeing their swimmers compete. **Warning:** The spectator area has a tendency to get quite warm, and spectators are advised to exercise caution and sound judgment if you do not tolerate heat well. There is also an observation/pool viewing area outside of the spectator balcony area. Due to fire regulations, no folding chairs are permitted in the spectator bleacher area

Additional Requests:

- No flash photography at the start of events
- Please maintain silence at the official's whistle upon signaling the swimmers to step up onto the starting blocks.

Other Matters of Importance

ALL SWIMMERS are to wear flip flops or other footwear at all times when not competing in the pool area to avoid injury. It is also highly recommended that swimmers wear flip flops when going to and from their events.

The meet venue area includes the pool, the natatorium lobby, the gymnasiums, the cafeteria, the observation deck above the pool, and the entrance lobby of the school. Anyone found outside these areas will be asked to leave the building, which is monitored by security and observation cameras.

Only swimmers competing or staged in their events, team coaches, meet officials, and designated volunteers are allowed on the pool deck throughout the duration of the meet. All others will be asked to return to the spectator area or the observation deck in the Natatorium lobby.

First aid and medical services will be available as needed. Please see one of the Host Club Volunteers (Yellow Shirts indicating Volunteer) if you require first-aid or other medical services.

Thank you for your consideration. We hope that you enjoy the meet

TEAM ENTRIES:

According to CPAL guidelines, each swimmer may swim in a maximum of 3 events. The events may be 3 individual events; 2 individual and one relay; or 1 individual and 2 relays. Listing a swimmer as an alternate on a relay does not count as an event.

All entries with seed times must be in short course yards and completed using Hy-Tek software. Due to February 11th dual meets, we have set a **Deadline for receipt of divisional entries of Sunday February 12, 2012 at 5:00 PM to ensure program booklets can be printed in time for the meet.** Entries should be sent to Brian Wrightstone at bwrights@ptd.net.

There will be no Divisional Psych Sheets available for review prior to the meet, so coaches are asked to double check their entries prior to submission.

Volunteers are the lifeblood of any competitive event and crucial to the success of the Divisional Championship meet. Therefore, no team will be entered without completed coaches and volunteer forms. Your cooperation is greatly appreciated.

STAGING/SEEDING OF SWIMMERS:

Swimmers will be housed in the large gym with areas designated for each team. Staging of Events will be posted and swimmers will be directed by each team's staging volunteers to the staging bull-pen where ACWS volunteers will be on hand for event staging. Swimmers are responsible for reporting to the staging area when their event is announced and posted to the board. Swimmers who do not report and/or cannot be located will unfortunately be scratched from that event. Each team's volunteers must assume the task of locating their swimmers in time. The meet will not be held up to locate swimmers.
