## Other Important Information:

1. Parking – Please use the parking lot between the CV sign side of the building and the tennis courts. It may be easier to enter CV high school one road down from the light right past the football field. We want everyone to enter through the Eagle Lobby. The other parking lot has been taken over by construction equipment and parking is limited.
2. All volunteers must pay an admission fee except the ones chosen to be on deck. Your volunteer package will be ready for you at volunteer check-in.
3. Clarification for Spectators: Your admission fee covers all sessions and all events. The wristbands allow you into the spectator seating area. To keep the admissions line moving as quickly as possible, please come prepared with the event numbers of your swimmers to ensure the correct color wristbands.
4. The concession stand will be set up in the cafeteria. The Eagle Lobby has a large screen to view the event (no sound). Please bring chairs/blankets to sit on in the cafeteria, hallways, or lobby areas.
