**09/15**

- 1. Officers**
- League Commissioner
  - Vice Commissioner
  - Treasurer
  - Secretary

A Nominating Committee is appointed at the March meeting to select nominees, presents the names to the membership at the April meeting and they are voted into office at the April meeting. (9/8/93) (2007)

**2. League membership for swimming. (9/9/72) (9/8/77)**

**a.** Teams requesting membership in CPAL require a majority vote of the member clubs to be admitted to membership. (4/13/11)

**b.** The following procedure shall govern the process of admission for new teams: (4/12/06) (4/13/11)

(i)A team requesting membership shall formally apply for membership for the next season no later than the April league meeting, with a letter of intent and a deposit of two-hundred fifty dollars (\$250).

(ii)The prospective new team should be invited to attend the first CPAL meeting held after the general membership is made aware of the League Secretary's receipt of the letter of intent and deposit. The requesting team will then have an opportunity to make a presentation and submit to questioning by the membership, after which time the current membership shall vote on the requesting team's admission to the league. Therefore, a team which submits a letter and a deposit prior to the March meeting should be brought to the attention of the membership at the March meeting and then invited to the April meeting for presentation and vote. A team which submits a letter and a deposit prior to the April meeting should be brought to the attention of the membership at the April meeting and then invited to the September meeting for presentation and vote.

(iii)If the league rejects the prospective team's request for admission into the league, the requesting team will receive a full and prompt refund of its deposit.

(iv)If a majority of the membership votes in favor of the requesting team's admission, the new team shall be admitted to the league on a probationary status for one competitive season. The new team shall have all the rights and privileges of full members of the league, except that it will be required to stand for a vote for full, permanent membership in the league at the March meeting following its probationary competitive season. A majority vote of all clubs with permanent membership shall be necessary for permanent, non-probationary status.

(v)When the league accepts the prospective team's request for admission into the league on probationary status, the team's \$250 deposit shall be retained by the Treasurer and applied as a credit towards the team's first year dues. After the team submits its roster in November, the Treasurer shall refund any portion of the Deposit that is in excess of the amount of dues owed by the team.

(vi)If the prospective new team decides to withdraw its application for acceptance or decline the league's offer for admittance, it will receive a refund of its \$250 deposit only if it makes its intentions to withdraw or decline admission known to the League Secretary, in writing, by July 1. After July 1, the new team is placed in the league alignment, and their withdrawal after that date will result in a forfeit of deposit.

(vii)The league will consider a moratorium on the acceptance of new teams who have meter pools or who lack meet hosting capabilities on a yearly basis as applications for admission are received.

League Geographic Region (10/13/99)

The League Geographic Region shall be defined to the following counties; Adams, Cumberland, Dauphin, Franklin, Lancaster, Lebanon, Perry and York.

Outside Geographic Region (10/13/99)

Teams outside the Geographic Region petitioning the league for membership shall not require an existing league team to swim the petitioning team as a “home” meet as a permanent condition of their membership.

- c. Annual dues and team deposit will be assessed each year at the first meeting of the season. (4/9/08)  
The amount to be agreed upon by current league members. (4/10/91)

(4/9/08) The late fee of twenty-five dollars (\$25) will still be assessed for those teams who do not pay the balance by November 22. (4/12/06)

- f. Other than high school inter-scholastic closed competition, a swimmer may represent and be rostered on and only compete for one (1) CPAL team during the season, (September 1 – March 31). (11/13/96) (11/10/04)

**3. Dual Meet Scheduling.**

- a. Dual meet schedules will be set up during the October meeting by each division. Teams must bring their dates and times available for competition. No division schedule shall be valid until all other teams in the division have a regular meet schedule. (9/11/96) If a division cannot mutually agree to meet dates at the scheduling meeting, the League Arbitration Committee shall resolve the conflict. (9/13/95) After the divisional schedules are made, crossover meets may be set up with other teams, at the discretion of those individual teams. Crossover meets count for qualifying for divisionals and if they are scheduled; they are treated as any other dual meet, except they do not count in the standings. (4/14/10) The League Secretary shall receive a list of crossovers to be swum. (9/8/93) Scheduling difficulties must be kept to a minimum, whereby teams who participate in leagues other than CPAL must make their main commitment to CPAL. - b. Standard warm-up and starting times must be submitted at the October meeting.

**4. Canceled or Forfeited Meets.**

A team representative shall make the final decision whether a meet shall be held or canceled. All communication between teams considering a cancellation shall be between the representatives. The decision of the visiting team should be the determining factor when weather is the reason for the

cancellation. Cancellations based on weather should be agreed upon no later than two hours prior to the warm-up of the visiting team. If the host representative is able to accommodate a weather concern with a delayed meet start, the representative of the visiting team needs to negotiate that possibility with the host team. (9/12/01) A new date and time shall be determined by mutual agreement between the two representatives. The League Secretary shall be notified by the host team of postponement and new date within four (4) days from the originally scheduled date. (9/12/01) If the teams involved cannot reach mutual agreement on a new date, the problem will be referred to the Arbitration Committee for a solution. Failure of either team to comply will result in a fine. (10/14/98) In the event a meet cannot be held due to weather or other approved league emergencies and can't be made up due to the lack of a pool, (the meet) will be decided by scoring at the Divisional meet. (9/9/92) This will count as a meet for anyone who needs a meet to qualify for Divisionals.

**5. Dual meet awards and scoring.**

Ribbons shall be awarded to no less than all individuals who receive points in an event. (9/11/91) The home team shall provide ribbons. (9/21/78) Teams who supply participation ribbons at home meets may, but are not required to, do so for the visiting team.
