The balcony seating is LIMITED to 375 and this is a "controlled seating." environment. By order of the fire marshal and CV school district, we can NOT allow more than 375 spectators in the spectator gallery at any time. Thank you for your understanding. In order for all families to have a positive experience, we suggest that you bring chairs and blankets to set up in the hallway, lobby, or other available areas within the school, then walk up to the balcony to watch your swimmer.

Coaches should enter through the main lobby, proceed past concessions, and look for the table on the left. They may pick up their coach’s packet with credentials for deck entry. Start Time: Doors open at 7:00 am

Meet Rules: The meet will be governed by National Federation Rules, as amended by the CPAL. The following rules are modifications or points of emphasis:

1. False-Start Rule: 8U - one false start; all other age groups - no false starts
2. Dual confirmation will be in effect for all starts and relay take-offs
3. An air horn will supplement the electronic beeper to denote unfair starts
4. Swimmers must place feet below the gutter for backstroke starts; toes may not curl over the edge of the gutter for the start or after the start
5. In-water relay take-offs for 2nd and 4th swimmers in 8 & under relays: The 2nd and 4th swimmer must be in the water with a foot on the wall when the incoming swimmer's head passes under the backstroke flags closest to the end where the next swimmer will take-off.

Meet Seeding:

All swimmers will be seated directly on pool deck. This will create a championship style environment and will ensure swimmers get to their events. However, seating on deck will be tight. For this reason, only coaches and volunteers will be permitted on pool deck. It is a necessity that swimmers wear footwear when entering the school hallways. This is a safety measure that will be strictly enforced. Each team is allowed up to four (4) parent volunteers tasked with getting swimmers to the starting blocks. Teams are responsible to ensure that all parents assigned on deck with meet seeding have the state-mandated clearances to work with children.

Safety: There will be NO DIVING from the shallow end (non-block) at any time during warm-ups or during the meet. There will be NO DIVING from the starting blocks and no backstroke starts during warm-ups session, with this exception: Limited diving and backstroke starts from the starting blocks in sprint lanes will be permitted, BUT only when announced. These rules follow National YMCA Warm-up Safety Procedures.

BEST WISHES TO ALL SWIMMERS FOR A GREAT MEET!
